

# Street Cleansing

Sunday 29<sup>th</sup> October 09:30 – 12:00

Keeping the space where we live tidy is something we can all take part in, there is no expectation to contribute, but if you wanted to, you might enjoy.

- ✓ Getting out of the house for an hour or two
- ✓ Having a conversation with people in your community
- ✓ Seeing the impact a collective effort makes
  - ✓ Enjoy a little time with Nature.

We would like to clear the footways surfaces, kerblines and back edgings from weeds, debris, and litter. Do you have some basic garden tools to use or share?

Brooms, brushes, garden hoes, rakes etc. Bring them out and join us for a little tidy up.

If garden work is just not your thing, how about sharing a cup of tea and a chat instead.

supervisors welcome 😊

Aldborough & Thurgarton Parish Council
